# HOME IS WHERE THE HEART IS

**Welcome** to our new **kitchen cabinets catalogue**. We included interior design ideas inspired by various styles & mixed them with well known & loved door fronts. It has been a wonderful experience, that we went through the years, analyzing preferences of our customers & listening to advices of specialists. This catalogue is based on that & it's filled with new trends & practical solutions. Solid design, functionality are the key features when it comes to our kitchens. That is why the production of our furniture involves application of the latest technological solutions & use of materials meeting strict quality & ecological standards.

## EXTRAORDINARY KITCHENS, THAT SUITS YOUR HOME

We cooperate with designers, creating furniture for residences & apartments, paying exceptional attention to every detail & solutions, that will last for years.

Olivia

We want to show you, that everything can be achieved & combined. Elegance with coziness, warmth with functionality, modernity with retro elements. The photo shows kitchen design based on luxurious **Olivia** front. Natural materials, such as granite or marble perfectly complements this look.

## NOTHING DISTURBS THE BALANCE

White color is a proposal for those, who appreciate clarity of forms & universal solutions. Simplicity & consistency allow for gentle & even distribution of accents. The whole design is bound by subtlety creating pure harmony. This kitchen design makes use of front with a practical, milled handle. Open graphite shelves add lightness & originality to the interior.

Lyndale

Evergreen

Since the quality is built on details, **Calidream** attaches great importance to them. Precise milling cutters, precise combinations of components & materials, impeccable surfaces. The highest level of craftsmanship guaranteed by the experienced team of specialists. In **Evergreen Collection's**, we offer our proven solutions: an innovative division of drawers, opening of hanging cabinets without handles & appropriately selected models of cabinets.
